

Intro

Please see the attached Notice for the latest information on State Approvals of our new Animal Mortality Rates and Forms.

Notice

Date: 1 November 2006

This is an update to the previous notice that was dated 1 September 2006.

Maryland, Massachusetts, and North Carolina Approved

The Hartford's new Animal Mortality Rates and Forms are effective in **Maryland, Massachusetts, and North Carolina** on **1 November 2006**. Please note that Maryland, Massachusetts, and North Carolina are no longer listed below under States Not Approved.

Previously Approved States

The Hartford's new Animal Mortality Rates and Forms were effective on 1 September 2006 in California and Virginia and 1 June 2006 in all of the other States not listed below under States Not Approved.

States Not Approved

The Hartford's new Animal Mortality Rates and Forms are not yet approved for use in the following States:

Alaska
District of Columbia
Hawaii
Louisiana
New Mexico
New York

We will update this Notice as the States listed above approve our new Animal Mortality Rates and Forms. Please review this Notice periodically and contact your Animal Mortality Underwriter if you have any questions.

This Notice only applies to our Animal Mortality Program. It does not apply to any other Livestock coverage offered by The Hartford.
